## MEAL PLAN AGREEMENT

The University has a meal plan requirement which requires students residing on campus to purchase a University meal plan during the first two years following their high school graduation. Option No. 1, the Silver Meal Plan (160 meals per semester), is the minimum meal plan option to satisfy the meal plan requirement. There is no requirement for the summer terms. All meals are available except breakfast on Saturday and Sunday. Remaining Dining Dollar balances will transfer from the fall to spring semesters, providing the student purchases a meal plan in the spring semester. Dining Dollars will not transfer at any other time, and unused dollars are non-refundable. Unused meals are not refundable, nor transferable from semester to semester. Room and board rates are available on applicable Room and Board Rate Sheets, as well as the Residential Living website: [wtamu.edu/housing](http://wtamu.edu/housing).

**MEAL PLAN CHANGES:** Meal plans may be changed *without* an exemption through the last class day of the *first week* of classes, assuming the student qualifies for the selected meal plan. If the student does not qualify for the selected meal plan due to the established requirement (see above), they must apply for and be approved through a **Meal Plan Exemption**; approvals are not guaranteed. **Meal plans will not be changed after the last class day of the first week of classes; after this, changes in meal plans may be made between semesters unless the meal plan is being upgraded, which can be done at any time throughout the semester.**

**CANCELLATION OF THE MEAL PLAN:** Students may cancel their meal plan through the last class day of the *first week* of classes if they are withdrawing from the University, not returning for the semester, or they no longer fall under the University meal plan requirement (prior to the first class day). Keep in mind that if **any** portion of the meal plan is used, students will be charged the **weekly meal plan rate**, and will receive an 80 percent refund of the remainder of the meal plan charges. Refunds will *not* be based on the number of meals or Dining Dollars remaining, but will be based on the weekly meal plan rate. **No meal plan cancellation requests from enrolled students will be accepted after the last class day of the first week of classes.**
