♦ NOTE: The core curriculum must total **exactly 42 hours**; excess hours must be moved to the major as an elective or a major requirement and stay within the 120-hour requirement or approved total submitted to the Coordinating Board for degree requirements. Some majors specify particular courses to meet core curriculum requirements when options are available.

* Indicates prerequisites—see catalog for more information.

** While MATH 1332, 1342 and 1350 will fulfill core math requirements, they will NOT prepare students for higher-level math courses such as Plane Trigonometry (MATH 1316) or Pre-Calculus (MATH 2412).

*** Or an equivalent course (second year, second semester) in a foreign language.

Note: The EMA program is designed for non-traditional students who are currently working in emergency management. A secondary admission process is required for this program. All applicants must possess an associate degree and have a BAAS Block of technical/vocational credits (up to a maximum of 36 hours) that will be converted to academic hours prior to admission. See the [Emergency Management Administration](#) web page for more information regarding admission requirements.

NOTE II: At least 39 hours of advanced work (3000- or 4000-level courses) for which tuition is paid must be earned at WTAMU, and 30 of the final 36 hours counted toward the degree must be earned at WTAMU. A maximum of six semester hours in religion (REL) and six semester hours in physical education (PHED) courses can count toward a baccalaureate degree.

Note: This is NOT a degree plan. Because the hours transferred to WTAMU are unique to each student, EMA students should request a formal degree plan immediately after being admitted to WTAMU. Degree plans may be requested using the online [Request for a Degree Plan](#) form. If unable to use the online form, students can also submit a request in Old Main, Room 415 (or call 806-651-2668). Students who have completed 45 hours will not be allowed to progress without requesting a degree plan.
