<b>MINIMUM HOURS REQUIRED TO COMPLETE DEGREE</b>		<b>120</b>	

♦ Licensed Vocational Nurses complete the Pre-licensure BSN program for Basic and Transfer Students; however, LVNs receive credit for NURS 2350.

♦♦ The core curriculum must total **exactly 42 hours**; excess hours must be moved to the major as an elective or a major requirement and stay within the 120-hour requirement or approved total submitted to the Coordinating Board for degree requirements. Some majors specify particular courses to meet core curriculum requirements when options are available.

\* Indicates prerequisites—see catalog for more information.

\*\* While MATH 1332, 1342 and 1350 will fulfill core math requirements, they will NOT prepare students for higher-level math courses such as Plane Trigonometry (MATH 1316) or Pre-Calculus (MATH 2412).

\*\*\* Or equivalent course (second year, second semester) in a foreign language.

\*\*\*\* Recommended.

NOTE: At least 36 hours of advanced work (3000- or 4000-level courses) for which tuition is paid must be earned at WTAMU. A maximum of six hours in religion (RELI) and six hours in physical education (PHED) can be counted toward a degree.

**NOTE: This is NOT a degree plan. All undergraduate students must request an official degree plan from their academic dean's office by the time they have completed 30 credit hours.**
