

Dear Future WT Student,
 Congratulations on being accepted to West Texas A&M University! We are excited to welcome you to the WT campus this fall. Enclosed is **your personalized WT financial aid package** that will help you determine total costs and enable you to compare WT to other opportunities.

WT is an outstanding choice for your college career, with nationally ranked programs that are perennially recognized for quality and value; small class sizes; exceptional and accessible faculty; and superior facilities. This is all available at one of the lowest costs in higher education—significantly lower than Texas and national averages.

As you make your college decision, it is important that you consider tuition and fees as well as any scholarships and financial aid that you will receive. (Remember: Even a large scholarship may not offset the difference in tuition cost!) We are happy to provide cost comparison information to aid your decision process, showing how WT ranks against in-state and out-of-state schools.

We know that cost comparisons can be overwhelming, which is why we offer ECU Buff \$mart, a financial literacy program designed to assist you. Program director Meghan Williams is available to answer your questions at 806-651-2369 or wtamu.edu/BufSmart.

I am also available to help you with your enrollment, financial aid and scholarship questions. At WT, we want you to make a good decision that makes sense for you.

We wish you the best as you prepare for your higher education experience and look forward to welcoming you to campus for fall 2023.

Go Buffs!
