## How to make the most of your student life: Tips from Axel Oliva

**WT** College Assistance  
Migrant Program  
WEST TEXAS A&M UNIVERSITY™

Axel shares to use a planner and utilize it monthly. This will help you never miss an assignment or important dates. Axel also says to connect with your professors. If you plan to study late at night, stay hydrated and take a nap. Axel shares that some of his best mental health advice is to take a day off to socialize. It is also important to ask for help and know that everything will be okay.

5 tips to be successful at WT (from Leslie Lopez, CAMP Alumni '20):

1. Time management is important.
2. Don't procrastinate.
